

For your reference here is an article which will be included in the November 2010 issue of *The Buzz*, the Tomahawk Elementary School/PTO combined newsletter.

## **THANK YOU!**

The PTO would like to thank all of the businesses and organizations that helped to make this year's fall carnival and silent auction possible! Without their generous support we would not have been able to raise funds for our Artist-In-Education program, Performing Arts Program and other very important items. Please, whenever possible, support the businesses and organizations that give generously to your school and community!
